CROFT LILY BULBS

Size	Bulbs to case	Price per case

8/9	200	60.00
9/10	150	60.00
10 up	100	52.00

Because Easter is early next year - March 28 - we have arranged to pre-cool our Crofts this year. Pot them on arrival which will be about November 10 to 20 - then place under bench till Xmas flowers are out of the way - put up on bench and run greenhouses at sixty degrees min. They should be just right for Easter sales.

You might also add a case or two for cut work in April, May, June, etc. May blooms can be had from planting about January 1, which we can ship from cold storage. Place order now. Plantings about Jan. 15, should give you blooms for May & June.
